

MAR 15 1964

Dear Russ:

Thank you for your letter of March 13th,  
enclosing Mr. Makaroff's suggestions.

This same material had already been brought  
to our attention, and although we sympathize with  
Mr. Makaroff's ideas, we feel that the US Govern-  
ment cannot officially get itself involved in such  
an undertaking, for obvious reasons.

I appreciate your interest in sending me this  
material, and I hope that Mr. Makaroff will be able  
to interest private individuals or organizations in  
assisting him.

Sincerely yours,

J. Russell Fergan, Esq.
